Programme to provide power in rural areas

3123. SHRI KALRAJ MISHRA: Will the Minister of POWER be pleased to state:

(a) whether Government have drawn out a comprehensive programme for providing quality power at affordable costs to rural consumers;

(b) if so, the objectives and targets contemplated under the programme in terms of power generation and minimizing transmission losses; and

(c) the number of villages and habitations and percentage of households in different States devoid of power in the beginning of the Tenth Five Year Plan and as per latest estimates?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) and (b) Electricity being a concurrent subject, supply and distribution of electricity in a State is the responsibility of the State Governments/State power utilities which decide the priority of power supply to various categories of consumers/areas in the State. The determination of tariff of electricity is the statutory of electricity regulatory commission under the Electricity Act, 2003.

(c) Data on number of villages which were devoid of power in the beginning of Tenth Five Year Plan and the latest estimates on the number of villages un-electrified are at Statement - I. (*See* below) Status on percentage of un-electrified households is at Statement-II.

Statement-I
